EXPERIENCE

AICTE Internship on AWS Virtual Cloud

Virtual

March 2022 – May 2022

Developed hands-on experience of various AWS services.

PROJECTS

TravelOut

ReactJS, Node.js, PostgreSQL

- Architected and developed the Travel Management System using ReactJS, ensuring a robust and efficient application structure.
- Incorporated Material UI and Bootstrap to create an enhanced and visually appealing user interface, providing a seamless user experience.
- Implemented features such as user authentication, search filters, and the booking process to further improve usability and functionality.
- Utilized state management libraries like Redux for efficient data handling.
- Demonstrated proficiency in version control and collaborated with the team to ensure smooth project development.

NoKitchenFood

Python, Django, MySQL

- Implemented responsive design components, including forms, fonts, typography, and responsive tables, to ensure seamless user experience across devices.
- Developed a user-friendly interface for customers to leave reviews and ratings for restaurants and dishes, enhancing user engagement.
- Utilized Bootstrap to enhance the application's responsiveness and visual appeal, optimizing the user interface design.

TECHNICAL SKILLS

Languages: HTML CSS C++ Python (Basics) Javascript

Frameworks: React JS Flask Bootstrap Django

Developer Tools: VS Code Git

Design Tools: Figma Canva

ACHIVEMENTS

Coursera Hackathon

Mar 2023

- Participated in the prestigious Coursera Hackathon 2023 and achieved a top 50 rank among participants.

ACTIVITIES

Technical Lead

KL University

May 2022 – June 2023

- Technical Lead of SODS(School Of Data Science) club
- Spearheaded technical initiatives and projects within the club.

Student Peermentor Lead

KL University

Aug 2022 – May 2023

- Led a group of peer mentors who provided personalized guidance and support to students seeking to develop their expertise in data science.

CERTIFICATIONS

Front-End Technologies - epam

- Completed a course on HTML, CSS, JavaScript, React, and NodeJS to build modern and interactive web applications.

AWS Certified cloud practitioner

- Demonstrated basic knowledge in cloud concepts, services, and terminology.

EDUCATION

B.Tech Honors in Computer Science
9.28 CGPA (currently)

KL University

2020 – 2024

Senior Secondary (Intermediate) 9.4
CGPA

AP State Board

2018 – 2020

Tenth Grade 7.0 CGPA

Kendriya vidyalaya

2017 – 2018
